## 1. Aims

We are committed to meeting our obligation with regards to school attendance through our whole-school culture and ethos that values good attendance, including:

- Promoting good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to ensure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

## 2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

### **3.5 Class Teachers**

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office. Registers need to be completed at the start of the day and straight after lunch. The admin staff will check registers at this times to ensure they have been completed.

### **3.6 School Administration staff**

School Administration staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system. They will record all absence messages from the telephone system after the close of registers in the morning.
- Ensure that all messages from parents are recorded on the MIS system notes for each child so that the Class Teacher has up to date information on the day of absence.

### **3.7 Parents/carers**

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence, leaving a message on the school absence line, and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

### **3.8 Pupils**

Pupils are expected to:

- Attend school every day on time

## **4. Recording attendance**

### **4.1 Attendance register**

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- [For pupils of compulsory school age] Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 9am on each school day. Teachers will receive pupils from 8.50am to enable a soft start drop off for parents and reduce congestion in the playground.

The register for the first session will be taken at 9.05am and will be kept open until 9.30am. The register for the second session will be taken at 1.25pm and will be kept open until 1.45pm.

## 4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9.00am or as soon as practically possible by calling the school Administration staff (see also section 7).

Parents can telephone the school office from 8.00am and leave a message on the absence line which will be picked up by the Administration Staff after 9.00am. Parents can also email school on [admin.fullwood@redbridge.gov.uk](mailto:admin.fullwood@redbridge.gov.uk) stating name, class and reason for absence.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

## 4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Parents can telephone the administration office on 020 8551 3288 or email to [admin.fullwood@redbridge.gov.uk](mailto:admin.fullwood@redbridge.gov.uk) advising what time the appointment is and whether the child will be returning to school following the appointment. If you have an appointment card please show the Administration Staff.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

## 4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Ongoing punctuality issues will be referred to the Educational Welfare Officer as consistent lateness can cause a child to fall behind their peers and meets the criteria of persistent absence.

## 4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may make further enquiries to ensure the safety of the child.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

## 4.6 Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels at parent consultation meetings. This will also be reported in the child's annual report. If persistent absence is a problem, attendance percentages will be reported to parents termly.

## 5. Authorised and unauthorised absence

### 5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as:

1. Serious illness or death of a close relative. We feel that such a category would be very difficult to define and so any absence would be at the discretion of the Headteacher with a maximum of 3 days authorised absence recommended. School will require evidence, particularly if a family are travelling abroad in the form of confirmation of booking and/or tickets. It is recognised that relatives may also need to attend funerals abroad and children and families need time to grieve but it is documented that children with prolonged absences from school find it harder to return and settle.
2. Sudden loss of housing through eviction or domestic violence up to a maximum of 3 days.
3. Out of school programmes such as music, arts or sport operating at a high standard of achievement and agreed by the L.A. The EWS will advise schools on individual circumstances.
4. Time off relating to Child Entertainment Performances, which is subject to a licence being issued by the Education Welfare Service will be considered on an individual basis.
5. Religious observance up to a maximum of **3 days per academic year**.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office or the school website. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- Examinations, although taking time of before exams for revision days will not be authorized.
- Exceptional circumstances (unavoidable absence)

### 5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission

- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

## 6. Strategies for promoting attendance

- Weekly attendance celebrations in assembly with the best class tracked each week. The overall winner (most week's won) will receive a prize in July. For 2023-2024 this will be the choice of a day out.
- Half-termly best class attendance prize. For 2023-2024 the winning class will get a non-uniform day.
- 100% individual attendance prize. Any child with 100% attendance as of the end of June 2024 will receive a prize. For 2023-2024 this will be a theme park visit
- 100% termly attendance badges. All children attending school each day will receive a badge at the end of each term
- Newsletter to contain attendance each month and winning classes celebrated
- All classes to have monthly attendances on the door for the parent community to see, alongside the school target
- The attendance officer to call the parents of any child not in school and log and monitor attendance for each family, liaising with the EWO fortnightly
- Meet the teacher meetings, year group handbooks and parent workshops reiterate the importance of attendance and the expectations the school has of 'every lesson counts'
- Attendance (and the importance of, discussions of new strategies) remains a standing agenda items for School Council / Learning Advisor Meetings

## 7. Attendance monitoring

Attendance is monitored every day and the parents / carers of any child not in school contacted to find out why. Overall attendance and levels of persistent absence are monitored (impact of interventions tracked) and interrogated as part of the school's self-evaluation and school improvement process, monitoring cycle and assessment process, including making the explicit links between attendance and achievement and tracking the attendance of specific groups..

### 7.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

### 7.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### 7.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

## 7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- work with the Education Welfare Officer to implement additional targeted support to assist in the identification of the sometimes-sensitive reasons for absence and look at ways to ensure school remains a place of safety and support for children living in difficult circumstances before moving to enforcement approaches.
- Whole Family Plan or extra educational provision where necessary to necessitate a return to good attendance
- If all support implemented by the school, local authority and external partners have been provided but persistent serious unauthorised absence continues, it will likely constitute neglect. FPS will undertake a safeguarding investigation and make a referral as per our Safeguarding Policy to Children’s Social Care in line with Keeping Children Safe in Education.

## 8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by Faye Meek, School Business Leader. At every review, the policy will be approved by the full governing board.

## 9. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
