## Hinduism Pop Up Festival

As part of the RE curriculum, we have been learning all about Hinduism, this term. The children were very excited to share all they had learnt during our Hindu Pop Up Festival. During the day everyone had the opportunity to take part in different activities and prepare items to be sold in the afternoon. These included making delicious coconut barfi and decorating tea lights with traditional patterns. Other activities included trying on sarees and traditional jewellery and practising Mehndi designs.

In the afternoon, parents were invited to come and share an activity with their children and were treated to a special dance performance from class 7 and a song from class 8. A wonderful time was had by all!
