### Notices & Information

Here we are at half-term already! It's been a busy one with many events, trips, visitors, and much learning going on! We hope you have an amazing half-term break and that you will be rested and refreshed for the second half of the Autumn term.

#### **Diwali Celebrations**

We would like to wish all members of the Hindu and Sikh faiths a very happy Diwali and Sal Mubarak. We hope you have a great Diwali with your family and friends. We look forward to hearing about your celebrations on our return to school.

#### **Senior Choir**

There will be no Senior Choir session after school on Tuesday 5th November. This is because lots of the children will be attending the Glow in the Dark disco that day. *After school sessions will continue as normal from Tuesday 12th November.*

#### **School Council Messages - Anti Bullying Week and Children in Need**

##### **Competition**

This competition is to raise money for Children in Need and raise awareness for Anti-Bullying Week. If you would like to participate, you will need to donate **50p-£1**. This should be attached in an envelope, with your name and class.

Design an eye patch inspired by anti-bullying week. This will be sent out on the 26th October as homework.

Please hand it in by **Friday, 8th November**. Winners will be announced on **15th November** during assembly.

Many thanks,  
School Council

**Children  
in Need**

## ***Pyjama and Teddy Day***

On **Friday, November 15th**, we will represent **Children in Need Day** by coming to school dressed in our pyjamas and bringing a contribution of **50p-£1** to help raise money for the cause.

Your child is also allowed to bring a teddy bear no bigger than an A4 piece of paper. However, your child **cannot** wear slippers or flip-flops; they must wear suitable shoes.

The children can wear a large hoodie, like an Oodie. Please be aware if your child has PE on that day, they will be expected to change into their PE Kits.

## **Zones of Regulation at Fullwood**

The **ZONES** of  
Regulation®

We are delighted to inform you that our first half term trial of Zones of regulation across the school has had a positive impact on our children and their ability to articulate and regulate their feelings and emotions. As the year progresses the children will delve deeper in understanding how to manage their emotions and deal with situations that may trigger certain reactions in a positive way.

**ZONES WORKSHOP-** If you would like to find out more about Zones of regulation and how you can use the language of zones to support your child/children at home, we are running a Parent Workshop on **Friday 15th November at 8.45 am -10.30 am (refreshments provided) for all Fullwood parents**. Our outreach colleagues from SEaTTs will also be in attendance with some useful tips and strategies you can use at home. We look forward to seeing you there!

## **Darker Nights**

Now that Winter is drawing in and the nights are getting darker, we are requesting that after half term, no child is allowed to walk home alone after an extracurricular club at the end of the school day. This means that all children, who attend any club in the 2nd half of the Autumn term, must be picked up at the end of their session each week. Thank you for helping to keep our children safe.

## **Late, Late, Late**

We would like to remind all parents that school starts in the morning with our soft start from 8.50 - 9 am. During this time, children will be working on early morning work and interventions before the start of the school day. Our class teachers have been instructed to close the classroom doors at 9.00 am, after which we ask that parents take their children around to the school office and sign them in as late. We appreciate that this may be inconvenient as we are all in the morning rush before trying to get to work, however, it is part of the statutory procedures that all schools have to go through. Thank you in advance for your support.

### Message from The Eco-Team,

We are excited to introduce the new Eco Leaders at our school! This term, we are focusing on reducing screen time at home, which not only benefits our health but also helps protect the environment. Spending too much time on screens like TVs, tablets, and phones uses a lot of electricity, which contributes to energy consumption. By turning off our devices and reducing screen time, we can save energy and lower our carbon footprint.

Instead of watching screens, we encourage children to get creative by recycling waste at home! A fun project we are working on is making robots out of old cereal boxes and other recyclable materials. It's a great way to use things you already have at home without needing to buy anything new, and it keeps waste out of landfills. Plus, it gives kids a chance to be imaginative and crafty while helping to reduce the amount of time spent on electronic devices.

By being mindful of how much electricity we use and finding fun, eco-friendly activities, we can all do our part in helping our school and community become more environmentally friendly. Let's work together to reduce energy usage and make a positive impact!

***Stay Eco, Stay Keen, Stay Green!***

Yours sincerely,

The Eco- Leaders:

Ameera, Meera, Eliza, Virat, Avleen, Morayo, Devishi, Millie, Owais, Yousuf, Muzzammil, Hayden, Amal, Fatima, Zoya, Massa, Veselin

# Attendance Star' Class

## EVERY SCHOOL DAY COUNTS

Every single day a child is absent from school equates to a day of lost learning.

Attendance percentages can be misleading.

100% Attendance	0 Days Missed	EXCELLENT
95% Attendance	9 Days of Absence 1 Week and 4 Days of Learning Missed	SATISFACTORY
90% Attendance	19 Days of Absence 3 Weeks and 4 Days of Learning Missed	POOR
85% Attendance	28 Days of Absence 5 Weeks and 3 Days of Learning Missed	UNACCEPTABLE
80% Attendance	38 Days of Absence 7 Weeks and 3 Days of Learning Missed	UNACCEPTABLE
75% Attendance	46 Days of Absence 9 Weeks and 1 Day of Learning Missed	UNACCEPTABLE

For some parents 90% may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss half a school day each week or 19 days of school during the school year – that's nearly four school weeks.

Remember to ensure your child is at school every day and that he/she is ready for our soft start from 8.50 a.m. to 9 a.m. at the latest. This is time for your child to review their work in books, respond to their teacher's marking, and read and complete early work activities.

The class with the best attendance each week will receive a star, which will be displayed in the main school hall. At the end of the year, the class with the most attendance stars will receive a surprise fun trip as a reward for excellent attendance.

Class	Attendance	Class	Attendance
Class 1	88.09	Class 8	94.17
Class 2	97.05	Class 9	97.92
Class 3	90.83	Class 10	95
Class 4	99.17	Class 11	92.05
Class 5	96.67	Class 12	97.08
Class 6	90.42	Class 13	87.92
Class 7	99.17	Class 14	92.08

Well done to **Class 4 and 7** with over **99%** attendance this week. **Our whole school target is 97%**
