## **Nursery Sports Day Fun!**

Despite the heat, the AM and PM nursery had great fun taking part in their first sports day event on the school field. Both nursery sessions were arranged into mixed teams where they participated in a number of team events including egg and spoon, relay races and mini-javelin throwing. Cheered on by their enthusiastic parents, the event finished with a well-deserved ice lolly and certificate before going home. Well done to you all- you were great sports!
