

Fullwood Primary School News Report

October 2024

Miss Zouzouko

Black History Month

October is Black History Month, a time when we honour the achievements and contributions of Black individuals throughout history, right up to today. At

Fullwood, we are committed to ensuring that all our children see themselves reflected in our curriculum.

This year, we are excited to focus on music by Black artists from different eras. We aim to introduce our students to influential singers like Labyrinth, Heather Small (of M People), and Des'ree, whose music carries messages of self-acceptance and positive change. These artists have inspired people across all backgrounds, and we want our children to appreciate the impact of their work.
