Notices & Information

It was a busy first week back last week with our light discos early on in the week and our visiting author, Jonny Walker, at the end of the week. Fullwood feels like we never had the half term break - learning is back in full force!

NHS WellBeing Project

A really big thank you to all mums, grans, aunties and carers who completed the women's wellbeing survey for us. It was extremely interesting to read your feedback which we have shared anonymously with our NHS partners on this project.

We would like to now start the 2nd phase of this project which is to meet as a working party with our partners to decide the events/support/guidance that we can deliver as a school to support your well being. Many of you who filled in the questionnaire offered to take part and we hope to see many of you at the meetings. The dates of these meetings will be:

1 - Wednesday 4th December 2024 at 9.15 - 10.30am

2 - Wednesday 11th December 2024 at 9.15 - 10.30am

We invite all female members of our community to take part as we want to hear your thoughts and views about what we can offer you. Please complete the google form below to indicate which days you will be able to make the working party meetings. We appreciate your time and look forward to seeing you at our meetings

Jonny Walker

We were lucky enough to have a visiting author work with our Year 3 children last week. He was working on 'The Jabberwocky' poem and helped aid the children's understanding by using drama and the outside environment. To read more about this please see the news reports on our school website. As part of our work on our driver 'The Great Outdoors', we are exploring different ways to take the wonderful learning that happened inside our classrooms and move it to our outside environment. Jonny will be working with us to enhance our children's experiences of our local environment and remind them of entertainment that does not need a screen.

Jonny has worked with authors, including Michael Rosen, and will be looking at ways to bring poetry, and more, to life using the outdoors and NO screens! To read a little more about Jonny and his work, click on the link below

Message from the Eco-Leaders:

Hello everyone!

Did you know that COP29 is currently happening? COP29 is a huge global meeting where leaders from around the world come together to discuss climate change and ways we can protect our planet. It's incredibly important to us all because the decisions made at COP29 affect the future of our environment, wildlife, and resources—and ultimately the world that children will grow up in.

We've been thinking a lot about how we can help look after the environment. Each of us has the power to make a difference, no matter how small our actions may seem. Here are some simple things that families can do at home to support the planet:

 **Save Energy:** Turn off lights and electronics when you don't need them, and unplug devices when they're fully charged.

 **Reduce, Reuse, Recycle:** Sort your waste at home, recycle what you can, and find creative ways to reuse items rather than throwing them away.

 **Conserve Water:** Turn off the tap when brushing your teeth, take shorter showers, and collect rainwater to water plants.

 **Walk or Cycle More:** Instead of driving, try walking, cycling, or carpooling. It reduces air pollution and gives you extra time outdoors!

 **Choose Eco-Friendly Products:** When shopping, look for items with less plastic packaging, reusable alternatives, and sustainable materials.

 **Plant Something:** Even a small garden or a few potted plants can make a difference by providing a habitat for bees and insects and helping clean the air.

These simple actions help us protect the planet we share and make a big impact when we all do our part.

Thank you for supporting our efforts at school and for helping us take positive steps toward a healthier Earth!

Stay Eco, Stay Keen, Stay Green!

Yours sincerely,

The Eco- Leaders:

Cool Milk competition

We're excited to announce the **Cool Milk Christmas Card Competition** for UK school children ages **4-11**. This is a chance for children to showcase their creativity and win amazing prizes, including a **£100 Smyths Toys gift card** for one lucky child and an **Olympic Athlete visit** to their school in the New Year for the **Grand Prize**. Two runner-up winners will receive a £40 and £30 Smyths Toys gift card, respectively.

The winning design will be featured as our official Cool Milk Christmas card for 2024 and will include the winner's **first name, age, and school** on the back of the card.

How to Enter:

- 1. Design the Card:** Children can design a milk-themed Christmas card on a folded A4 sheet of paper. Designs can be created with pencils, markers, or paint (no glitter or cotton wool, please, as the design must be flat for printing).
- 2. Parents Submit:** Parents can submit entries by either:
 - Posting the design on Instagram or Facebook with the hashtag #CoolMilkChristmas2024 and tagging @coolmilkscheme, or
 - Emailing a photo or scan of the design to marketing@coolmilk.com.
 - Photo Sharing: If parents wish, they can submit a photo of their child holding their design. With parental consent, we'd love to showcase some of these photos on our website and social media platforms.
- 3. Entry Deadline:** Friday, 6th December 2024, by 5 pm
- 4. Winner Announcement:** Wednesday, 11th December 2024

Thank you for supporting this festive and fun competition – we're excited to see what your students create and bring some holiday joy to your school!

Class Points

We use class points at Fullwood to recognise and promote great behaviour around the school as well as developing a class cohesion between children in each class. They need to work together to earn points throughout the week and weekly totals are recorded each week and added together for the half term scoreboard!

Weekly class winner - receives 30 minutes of golden time (where children choose what they would like to do)

Half Termly Totals Class winner - receives a non-uniform day for their whole class only - whilst the rest of the school comes to school in red!

Well done to class 12 who received 35 class points this week. Have fun with your golden time! Well done to class 12 again for being top of the leaderboard this week!

Attendance Star' Class

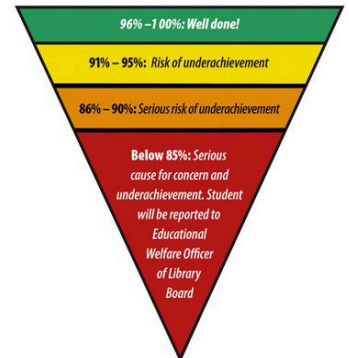

EVERY SCHOOL DAY COUNTS

Every single day a child is absent from school equates to a day of lost learning.

Attendance percentages can be misleading.

100% Attendance	0 Days Missed	EXCELLENT
95% Attendance	9 Days of Absence 1 Week and 4 Days of Learning Missed	SATISFACTORY
90% Attendance	19 Days of Absence 3 Weeks and 4 Days of Learning Missed	POOR
85% Attendance	28 Days of Absence 5 Weeks and 3 Days of Learning Missed	UNACCEPTABLE
80% Attendance	38 Days of Absence 7 Weeks and 3 Days of Learning Missed	UNACCEPTABLE
75% Attendance	46 Days of Absence 9 Weeks and 1 Day of Learning Missed	UNACCEPTABLE

For some parents 90% may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss half a school day each week or 19 days of school during the school year – that's nearly four school weeks.

Remember to ensure your child is at school every day and that he/she is in school ready for our soft start from 8.50am - 9.00am at the latest. This is time for your child to review their work in books, respond to their teacher's marking and to read and complete early work activities.

The class with the best attendance each week will get the star which will be displayed in the main school hall. The class with the most attendance stars at the end of the year will receive a surprise fun trip as a reward for excellent attendance.

Class	Attendance	Class	Attendance
Class 1	84.44%	Class 8	99.63%
Class 2	88.89%	Class 9	95.56%
Class 3	85.19%	Class 10	96.3%
Class 4	97.41%	Class 11	97.78%
Class 5	96.3%	Class 12	99.23%
Class 6	92.59%	Class 13	97.04%
Class 7	98.89%	Class 14	97.04%

Well done to class 8 with over 99% attendance this week. **Our whole school target is 97%**
