## Christmas Concert

### Christmas Concert

We had a packed programme of music at our concert today, with over a hundred children performing. As well as our Year 6 guitar group, selected musicians impressed the audience with their individual playing. We also managed to combine several of our music groups, including the orchestra, the

recorder groups, and both choirs. Special thanks go to Mr Goddard, our violin teacher, and to Miss Nina who teaches the recorder and choir groups, for pulling it all together! Well done to all of the performers who overcame their nerves to put on such a good show, and thank you to all of the parents who came along to support them. It really does make all the difference to have you there.

*Many studies have shown that learning music helps to develop the brain and improves learning in all other areas of the curriculum, as well as being a fun and sociable thing to do! If you would like your child to learn to play a musical instrument with Redbridge Music Service, please click on this link to register: <https://ukvisionrcl.speedadmin.dk/registration#/>*
