

Fullwood Primary School News Report

December 2024

Written by Mr Ward

Festive fun!

It has been a fun-packed festive period at Fullwood! Highlights have included Christmas jumper day where we raised £161.29, our annual Santa Dash, Nativity performances, Christmas lunch, class parties, and the Christmas Fair!

It has been such a lovely couple of weeks, with plenty of smiles and the spreading of goodwill to all.

As with all of our celebrations, it has also been a poignant and timely reminder that whatever our faiths and backgrounds are, we are stronger together and happier when we search out what unites us rather than what divides us. It has been particularly heartwarming to see how caring and thoughtful our older children are to the younger children. Thank you so much to the wonderful staff, who always go above and beyond to put smiles on our children's faces and enter

into all activities with a sense of fun.

Thank you as well to our amazing Parent's Association for not only decorating our school so beautifully but also putting in hours and hours of their own time to organise and support so many of our activities (all year round!)

To all members of our community celebrating, we like to wish you a very Merry Christmas and a Happy New Year!
