### Notices & Information

After a busy couple of weeks back we are already making strides through our spring term learning journeys, finding out about the trips and visitors we have coming up to add excitement to our learning. Read on to find out what week 3 will bring.

#### **Year 6 SATs Briefing**

As part of our commitment to supporting your child's learning, we would like to invite you to a Year 6 SATs Briefing.

Date: Thursday 23rd January 2025

Time: 2:30 pm

The meeting will provide important information about the upcoming SATs, including:

- Key dates and timings for the tests.
- How the tests are structured and assessed.
- How you can support your child at home.
- There will also be an opportunity to ask any questions you may have.

We encourage all parents and carers to attend, as this will be a valuable session to ensure that your child is fully prepared and supported.

Thank you for your continued support. We look forward to seeing you there!

#### **Parent Workshops**

As requested by yourselves, we at Fullwood have been busy trying to organise some parent workshops to support parents at home with various aspects of their children's lives. Please see below for the ones that are coming up - we hope to see as many of you there as possible.

- *Parenting Choices and Decisions Workshop* - Having had several conversations with parents and carers in recent months with regards to challenges being faced with the behaviour of our children at home, Mrs Bateman will be hosting a workshop for parents on Friday 31st January from 9.15 to 10.30 am. This workshop will give you, as parents, the opportunity to listen to some suggestions and initiatives from teachers and school leaders which may support you in bringing up your little people. It will also be a forum where we can discuss issues and concerns that we have and share some ideas for managing defiant and inappropriate behaviour. Please fill in the Google form below if you would like to attend as this will enable us to prepare enough resources ready for the session:

- EYFS Phonics Workshop - We would like to invite Reception parents to a parent workshop where you can find out about how phonics is taught and how to support your child's reading at home, followed by a chance to share a book with your child in their classroom environment. We look forward to seeing you all on Wednesday 29th January at 2:00 pm. Please speak to your child's class teacher for more information.
- NHS wellbeing Session 3 - As you may be aware, we have been working with the NHS to explore Wellbeing for ladies in our community. Thank you to all parents who have attended previous sessions to support us in hearing your views and creating a programme you'd like to attend. We would like to invite you to one more working party session on Thursday 23rd January from 8:50 am onwards in our small hall. Please see the invite below from our NHS team.

Dear mums,

We recently carried out 2 sessions at Fullwood to talk about wellbeing, mental health and how we could best support you in these areas. Thank you to all those who were able to attend and, as we spoke about, we are hoping to develop a group programme to support your emotional wellbeing which will run at Fullwood school. It is important to us that we create something together, based on your feedback, so that it is relevant and meets your needs. We would like to invite you to one more session which will focus on what types of activities/interventions you would want included in this programme and think together about how it will run so that as many of you as possible are able to access this support.

The session will be on Thursday 23<sup>rd</sup> January from 9:15 – 10:45 at Fullwood. We will be there with refreshments from 8:50 so you are welcome to come anytime after dropping your children off. We hope to see all you mums who have attended before, as well as some new faces!

Best wishes

Dr Miloni Patel, Fatima Saleh, Dr Maria Qureshi, Konenica Ali

## Class Points

We use class points at Fullwood to recognise and promote great behaviour around the school as well as developing a class cohesion between children in each class. They need to work together to earn points throughout the week and weekly totals are recorded each week and added together for the half-term scoreboard!.

**Weekly class winner** - receives 30 minutes of golden time where children choose what they would like to do.

**Half Termly Totals Class winner** - receives a non-uniform day for their whole class only - whilst the rest of the school comes to school in red!

*Well done to class 10 who received 55 class points this week. Have fun with your golden time!*

# Attendance Star' Class

Remember to ensure your child is at school every day and that he/she is in school ready for our soft start from 8:50 am to 9:00 am at the latest. This is time for your child to review their work in books, respond to their teacher's marking and read and complete early work activities.

The class with the best attendance each week will get the star which will be displayed in the main school hall. The class with the most attendance stars at the end of the year will receive a surprise fun trip as a reward for excellent attendance.

Class	Attendance	Class	Attendance
Class 1	89.27	<b>Class 8</b>	<b>98.15</b>
Class 2	85.19	Class 9	94.81
Class 3	93.7	Class 10	97.78
Class 4	84.07	Class 11	97.78
Class 5	94.81	Class 12	95.19
Class 6	92.59	Class 13	97.78
Class 7	92.22	Class 14	94.81

Well done to class 8 with 98.15% attendance this week. **Our whole school target is 97%**

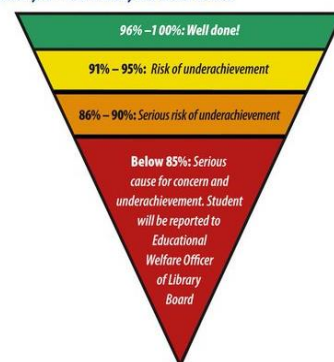

## EVERY SCHOOL DAY COUNTS

Every single day a child is absent from school equates to a day of lost learning.

Attendance percentages can be misleading.

Attendance	Days Missed	Category
100% Attendance	0 Days Missed	EXCELLENT
95% Attendance	9 Days of Absence 1 Week and 4 Days of Learning Missed	SATISFACTORY
90% Attendance	19 Days of Absence 3 Weeks and 4 Days of Learning Missed	POOR
85% Attendance	28 Days of Absence 5 Weeks and 3 Days of Learning Missed	UNACCEPTABLE
80% Attendance	38 Days of Absence 7 Weeks and 3 Days of Learning Missed	UNACCEPTABLE
75% Attendance	46 Days of Absence 9 Weeks and 1 Day of Learning Missed	UNACCEPTABLE

For some parents 90% may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss half a school day each week or 19 days of school during the school year – that's nearly four school weeks.
