Stay Eco, Stay Keen, Stay Green!

As Eco Leaders, we are always looking for ways to help our school become more environmentally friendly. One of the best ways to do this is by saving energy and reducing our carbon footprint. Simple actions like switching off lights, turning off unused devices, and using less electricity can make a big difference!

Our school is also considering installing solar panels to generate clean, renewable energy. To learn more about how they work, we recently visited another school that has already made the switch to solar power. We discovered how effective solar panels are at reducing energy costs and helping the environment. It was an exciting and inspiring visit, and we now believe that solar energy is a fantastic way to make our school greener!

Together, we can all do our part to protect the planet. Let's work as a team to save energy and make a difference! 🌱 ♻️

Yours sincerely,
The Eco- Leaders

Class Points

We use class points at Fullwood to recognise and promote great behaviour around the school as well as developing a class cohesion between children in each class. They need to work together to earn points throughout the week and weekly totals are recorded each week and added together for the half-term scoreboard!

Weekly class winner - gets 30 minutes of golden time (time when children choose what they would like to do)

Half Termly Totals Class winner - receives a non-uniform day for their whole class only - whilst the rest of the school comes to school in red!

Well done to class 10 who received 78 class points this week. Have fun with your golden time!

Attendance Star' Class

Remember to ensure your child is at school every day and that he/she is in school ready for our soft start from 8.50 am to 9.00 am at the latest. This is time for your child to review their work in books, respond to their teacher's marking and to read and complete early work activities.

The class with the best attendance each week will get the star which will be displayed in the main school hall. The class with the most attendance stars at the end of the year will receive a surprise fun trip as a reward for excellent attendance.

EVERY SCHOOL DAY COUNTS

Every single day a child is absent from school equates to a day of lost learning. Attendance percentages can be misleading.

100% Attendance	0 Days Missed	EXCELLENT
95% Attendance	9 Days of Absence 1 Week and 4 Days of Learning Missed	SATISFACTORY
90% Attendance	19 Days of Absence 3 Weeks and 4 Days of Learning Missed	POOR
85% Attendance	28 Days of Absence 5 Weeks and 3 Days of Learning Missed	UNACCEPTABLE
80% Attendance	38 Days of Absence 7 Weeks and 3 Days of Learning Missed	UNACCEPTABLE
75% Attendance	46 Days of Absence 9 Weeks and 1 Day of Learning Missed	UNACCEPTABLE

For some parents 90% may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss half a school day each week or 19 days of school during the school year – that's nearly four school weeks.
